

Spring 2010

Winstonsalemcraftsguild.org

President's Corner

Hopefully you can see clearly and the pollen in the air has not caused a permanent yellow haze!

The Guild continues to grow and make positive changes. A social gathering was held in March with about 25 members present. It was a great opportunity to spend time together, and my plan is to have another social event soon.

For those of you living in the world of Facebook, the Winston-Salem Crafts Guild now has a presence. At last check, our site had 38 members. A special thank you goes to Terri Shore for creating and maintaining our group site.

Our Show Committee, headed by Sue Smith, has done a great job in locating several show possibilities for our members. I won't steal Sue's thunder, so please read her article for some exciting opportunities.

The New Mentoring program that I introduced to you in the January newsletter is underway. New members who have joined since January have now been assigned a mentor, and hopefully had contact from those mentors. Thank to all of the members who volunteered to serve as mentors. If you are interested in helping the Guild in this way, please let me know. As we continue to welcome new members, we will need a mentor for each of them.

I am hoping that each of you can attend the upcoming general meeting on Tuesday, April 20 at 6:30pm at South Fork Recreation Center. Your executive board has a by-law update that will require a vote from the membership. In addition, we will be voting to select a Member of the Year for 2009. Please be thinking of a member who served the Guild last year in an extraordinary capacity. The member receiving the most votes will receive a Member of the Year certificate and one year of free membership.

Looking forward to seeing you on April 20!

Jessica Teague

We look forward to seeing you at our next General meeting which will be held April 20, 2010 @ 6:30 pm

Membership Matters:
REMINDER...
